**2 YEAR GOAL: \$5,000,000**

IMAGINE is a two-year generosity initiative that will allow FCS to broaden our impact and expand our campus to better serve students and families in North Orange County. You may think your gift doesn't matter when compared to our total goal for IMAGINE, but God knows and values your sacrifice. Accomplishing this goal will require the participation of many and it's not about the amount, but what that amount means to you!

We are forging ahead with plans to build a state-of-the-art Student Center on our upper campus. This visionary project will not only expand our facilities with modern classrooms and vibrant spaces for extracurricular activities but also meet the growing needs of our students now and for years to come. By enhancing our program offerings and increasing

enrollment capacity, this center will ensure that Friends Christian School remains a top choice for families seeking excellence in education. Most importantly, this space will serve diverse community needs, allowing us to make a broader impact. Join us in creating a future where every student thrives and our community grows stronger together.
